

Holiday Hotel Engelhorn

Hasliberg-Hohfluh, Bernese Oberland, Switzerland, 950m
30 beds, from CHF 103.00

The Engelhorn holiday hotel is the modern jewel on the "CEVI site". It was redesigned and renovated in 2019. Since then, it has impressed with its modern and inviting seminar room including cafeteria as well as the modular rooms. You can stay in single or double rooms - also barrier-free - or in spacious roof suites. All rooms have comfortable box-spring beds, a modern bathroom with shower and a balcony or terrace. The seminar room can accommodate up to 25 people. The installed technology - including an interactive screen - enables state-of-the-art presentation methods in the midst of the rustic Haslital mountains. All common rooms in the Rosenlaui guesthouse as well as the nature park of the YMCA Centre Hasliberg can be used. Meals are served in the communal dining room (no à la carte restaurant).
