

Alp-refuge Gandegghütte

Zermatt, Valais, Switzerland, 3030m
50 beds, from CHF 110.00

Alpine enjoyment and relaxing sounds at 3030 metres, surrounded by the 4000-metre peaks, in the heart of the Alps. 3030, the Gandegg Hut: 135 years of tradition as a fixed point for hikers, alpinists and skiers combined with fresh ideas from the hosts Pete & Stefanos. 3030 THE HOSTEL More than sleeping at 3030 metres. The 3030 offers dormitory beds as well as simple shared rooms for hikers, alpinists and adventure seekers. Simplicity is the motto, so as not to steal the show from the real highlights of the experience, such as sunrise, sunset or the magical view. 3030 THE RESTAURANT Enjoyable time out high above Zermatt, the hotspot of the Alps. Pete brings culinary classics and Schmäh from his native Austria. The warm host Stefanos combines this with Swiss classics, carefully selected drinks, casual sounds and all-round views of the 4000-metre peaks of the Alps.
