

Group and holiday home Pardiel

Bad Ragaz, Eastern CH, Switzerland, 1630m
53 beds, from CHF 20.00

The house is located at 1630 metres above sea level in the middle of the skiing area and can be easily reached by the Bad Ragaz - Pizol mountain railway. The ski slopes are between 1600 and 2200 metres above sea level. Thanks to the altitude and the snow-making system, the Pizol area is considered snow-secure. In the Pizol, guests will find ideal lift and piste conditions for every level. The Laufböden chairlift is right next to our house. For non-skiers, the high-altitude trail or the snowshoe hike from Pardiel to Laufböden with a wonderful view from the Grisons mountains to Lake Constance is an experience. And for particularly sporty freaks, the Riderpark, the Funslope or the Vreni Schneider Run in Wangs, offer variety to winter fun. Summer: The Pizol cableways offer attractive excursion options and are constantly developing the area into a nature experience. You will find a playground and various fireplaces close to the house. The octahedron on the Prodkopf is a beautiful vantage point and play tower. The Heidiweg to Schwarzbühel has further barbecue and play facilities (barefoot path and Kneipanlage, hammock forest, Märlizauber, Geissenweid bi Öhi's Weid). The Pizol area is also known for its beautiful 5 lakes hike. The house is ideal for: Families, schools, friends, weddings, seminars.
