

Holiday homes Drosera

La Chaux-du-Milieu, Western CH, Switzerland, 1100m

12 beds, from CHF 30.00

Dating from 1720, this Neuchâtel house in the heart of the Brévine Valley now offers a 3-room flat, a 40m2 studio and a cottage & caravan. The accommodation is located in a quiet spot in the village of La Chaux-du-Milieu. The family-friendly Drosera holiday flat offers its guests two 2-bed rooms as well as the possibility for an extra bed. The Drosera studio is located on the first floor of the building and is very well equipped for 3 adults or a family with 2 children. The cottage is a small two-person nest with stunning views of fields and woods. It is extremely well insulated and forms a timeless experience. The charming bohemian gypsy caravan can accommodate two children, one person or a couple. It can be converted into a small living room. A terrace with a view of nature connects these two outdoor rooms. The sanitary facilities are located a few dozen metres away in the main building with direct access. The accommodation is the perfect place for relaxing and active family holidays. Mountain biking and hiking are on the agenda in summer, while in winter the cross-country ski trail runs past the house just a few hundred metres away. Snowshoeing is also a great activity for young and old in winter.
