

Holiday house Haus am Rain

Alt St. Johann, Toggenburg, Switzerland, 895m
28 beds, from CHF 26.00

Something special. In the group house on the Rain there are condominiums, but also rooms for small groups. The generous gastro-kitchen for more than 12 people and the small kitchen for less than 10 people are classy. This gives complete flexibility. The lounge and the bathrooms in each room are very comfortable for a group house. In summer there is a large barbecue with benches/tables on the terrace. This invites you to linger. The sound house is being built in Toggenburg and the new sound trail is already accessible today (opening in May 2024). The sound trail is varied and easy to walk for young and old and there are various entry points.
