

## Holiday house Wild Valley Rusticino

Crana, Southern CH, Switzerland, 892m

**3 beds, from CHF 36.50**

This tiny house is a great place to get away from it all. The view of Italy from the balcony is breathtaking! The house has a romantic fireplace (firewood included!) and is only 100 metres from free parking along the road. And it is still only 40 minutes away from Locarno! The house is ideal for a couple alone or with a child. There is a bedroom with a double bed and a single bed, a living room with a fireplace and a kitchen, a toilet (at the end of the balcony), a shower (in the basement), a balcony and a small fenced garden. Please note that the ceilings are relatively low, so people taller than 186 cm will have to watch their heads.
