

## Hotel JUFA Savognin

Savognin, Graubünden, Switzerland, 1250m  
**202 beds, from CHF 115.00**

In the heart of the trilingual tourist region of Savognin Bivio Albula, where Switzerland presents itself in all its originality, we opened the new JUFA Hotel Savognin on 11 June 2021. Rooms and junior suites designed entirely with wood and natural materials await you, as well as a spacious wellness area with Finnish sauna, laconium, infrared cabin and a relaxation zone. Kids can really let off steam in the 50m2, 2-storey indoor children's play area with a climbing tower and tunnel, climbing wall and rope garden. 1,000 km of hiking trails lead through Parc Ela, the largest nature park in Switzerland. Over 350 km of biking routes invite you to explore the beauty of the region on 2 wheels. If you want to jump headfirst into the fun, you should definitely plan a day of swimming at the cool Lai Barnagn (within walking distance from the JUFA hotel). The Val Surses guest card is always with you on your adventures. From the first night, JUFA guests can use the mountain railways in Savognin and public transport between Salouf, Savognin, Bivio and the Julier Pass free of charge. Children get off to a flying start with the summer programme at the Pinocchio Club thanks to the Val Surses Card. In winter: From the slopes to the hotel. The ski areas of Savognin (80 km of pistes) and Bivio (30 km of pistes) are ideal for families with children and carving fans. Big plus ski-in/ski-out: you ski directly from the piste to the hotel without having to unbuckle.
