

Alp-refuge Chalet de Savolayre

Morgins, Valais, Switzerland, 1655m

34 beds, from CHF 18.00

Discover the quietly located Mountain Chalet de Savolayre in Morgins at 1655 metres above sea level, idyllically situated on a sunny south-facing slope with impressive views of the Dents-du-Midi. The Morgins ski area, part of the world-famous Portes du Soleil with 650 kilometres of pistes, is just a 20-minute walk away. Non-skiers will also get their money's worth: the surrounding area offers a wide range of activities, whether in summer or winter. Particularly sustainable: the electricity for normal consumption (230V) is generated by solar panels, and cooking is done on a wood or gas cooker - ideal for environmentally conscious guests.
