

## Youth Hostel Mariastein

Mariastein, Mittelland, Switzerland, 582m

**77 beds, from CHF 28.00**

A castle like one out of a storybook. Tower chamber, battlement parapet, inner ward, and knights' hall create a romantic, medieval atmosphere. It is being visited mostly by school classes and groups. The atmosphere is in proper style: 150 steps lead up to the tower chamber where Napoleon's beloved once waited for him. A knight's hall with open fire place where the noblemen once dined and also the area leaves nothing to be desired.
