

Youth Hostel Sils

Sils i. D., Graubünden, Switzerland, 622m

39 beds, from CHF 27.00

The youth hostel, which was established in Ehrenfels Castle in the 1930s, looks back on a history steeped in tradition. The castle was built in the 13th century and still offers a unique view over the castle-rich Domleschg. How about a visit to one of the 21 medieval castle ruins between Rhäzüns and Thusis? The tower houses a seminar room with infrastructure, a games room and a theatre room with stage elements. Outside, the castle courtyard with its bread oven and the play area with various play materials are a great attraction. The Knights' Hall can seat up to 60 people.
