

Camp Lagerhüsli

Schleitheim, Eastern CH, Switzerland, 590m

104 beds, from CHF 8.00

Mostly situated on the outskirts of a forest, the Lagerdorf provides an ideal environment for children and youth camps. The lower part of the two-storey huts is furnished with a table and benches as well as a shelf. The sleeping area is located on the second floor and provides space for around 8 children and two wardens. Thanks to the arrangement of the huts and the two large marquees it is possible to organize a camp with two groups. This allows our guests to e.g. separate age-specific activities.
