

Camp Tgapalotta

Valbella / Lenzerheide, Graubünden, Switzerland, 1510m

24 beds, from CHF 19.00

Our wooden house is idyllically situated on the edge of the forest, about ten minutes from the Canols post bus station (Heidsee). There is no road leading to the property! The house can accommodate 24 people, mattress dormitories in several rooms. The sanitary facilities are located in the sleeping wing. The kitchen and lounge are in the annex. The house is simply furnished and therefore ideal for those who want to spend a few holiday days away from noise and hectic. Especially recommended for a long weekend, family holidays or camps. The Valbella-Lenzerheide holiday region has a lot to offer as a hiking area and mountain bike Eldorado. Lake Heidsee, about 15 minutes from the house, invites you to swim and stroll in summer. At the valley station of the Rothorn cable car, which can be reached in about 20 minutes, there is a mountain bike park. There are also various signposted routes from here, one of which passes close to the house. In the winter months, you can ski directly from the house to the valley station (Lenzerheide-Arosa ski area). Cross-country ski trails, including a cloakroom, are down by the lake. There are also ploughed winter hiking trails.
